“Dell is pleased with its relationship with EVAS and the benefits the relationship brings to customers. We look forward to working with EVAS in the future.” - **D.D., Dell Inc.**

“When I first began talking to Jerry Swerdlick of EVAS, I was happy to discover that they use Dell computer systems, one of the most reliable computer manufacturers worldwide. In addition, it gave me confidence when I researched the relationship between Dell and EVAS. The long-standing alliance between EVAS and Dell demonstrated EVAS’ commitment to quality to me...I strive to work with companies who provide only the best service to our clients. I do not have to worry when a computer is ordered from EVAS. Their service and products are second to none in my opinion.” - **L.B., Indiana**

“I decided to give EVAS a try and was very impressed. Now I have been using their products and services for over a year....I feel EVAS’ Turnkey Solutions are beneficial to our Agency, myself and most importantly to the disabled individual. I would highly recommend EVAS to others.” - **B.M., California**

“We found the staff at EVAS to be polite, informative and eager to make sure that we were satisfied with our purchase.” - **B.A., Michigan**

“All of the systems were received ahead of schedule and were received as we specified. We were also pleased with the responsiveness and competency of your technical support staff.” - **S.S., Maryland**

“We are entering our second decade of purchasing integrated computer workstations from a company called EVAS. There are many reasons for this, but in short, they provide the most comprehensive solution to our purchasing/integration problem that we have found.” - **D.S., New York**

“The other day as my staff and I were discussing the need to expedite the purchase of an integrated computer system to secure a job for a blind consumer, it occurred to me how much the New York State Commission for the Blind relies on you and your staff to help us meet the technology needs of legally blind New Yorkers...On behalf of the New York State Commission for the Blind, I would like to thank you and your staff for the hard work, dedication, and commitment you have demonstrated in providing quality equipment, support and service. Thanks again. “ - **D.B., New York**

“I will enlighten everyone whom I work with that if they want reliable product, comparative pricing, friendly service, skilled professionals and a family owned and operated company that are deep rooted with the understanding that the consumer comes first, then they need to call Evas!” - **B.C., Alabama**

“There was always a person on the other end of the phone line to answer my questions. Catherine, Sara and your other employees demonstrate with each call that customer service is a #1 priority with EVAS. I consider this to be your biggest asset.” - **D.H., Pennsylvania**

“What a beautiful system. Your team did a wonderful job! Excellent! Made my job so easy. Kudos to you and your team! I look forward to a wonderful business relationship...Your technical and customer support is of the highest caliber and I want you to know that we are very pleased to have made a connection with EVAS. We look forward to continuing a successful and long-term relationship with the EVAS Team.” - **E.A., Indiana**

“Our staff visited EVAS and found each person we spoke with to be extremely knowledgeable and well versed in all aspects of Accessible technology...During the installation of the Plug and Play systems and the weeks and months that followed, EVAS was responsive to any questions posed or problems experienced (although there were few).” - **D.V., Connecticut**

“I would also like to state my appreciation for the expert support staff at EVAS who are always there with answers for any questions. As a user I’m never made to feel incompetent due to my knowledge gap with EVAS staff. This technical support is absolutely essential for any successful computer user and especially a blind computer user whose equipment is specifically adapted for her needs.” - **J.C., Michigan**

“I also want to acknowledge the high quality support and service EVAS has provided our mutual customers who have purchased ZoomText as part of your integrated computer systems.” **J.D., Vermont**

“All of this, of course, is helping to make EVAS a greater success story than ever before. But beyond its business gains, EVAS is also showing the world that, in the fast-paced realm of technology, there is no such thing as a limiting disability. That’s a positive message that should be heard from Canal Street around the world” - **Westerly Sun**
